Re: Consultation under 36 CFR Part 800 Community Development Block Grant Program

Dear Montana EQC:

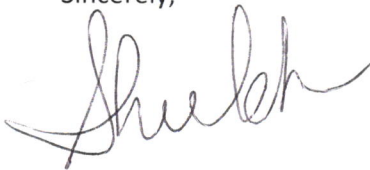

NeighborWorks Montana, through Cascade County is seeking approval for a Montana Community Development Block Grant (CDBG) under the non-competitive housing program from the Montana Department of Commerce. This grant will involve providing housing rehabilitation, in-fill housing and manufactured home replacement, with deferred mortgage assistance to low/moderate income families in single-family, owner-occupied homes. The target area is Cascade County. The individual homes have not yet been identified.

We request that you notify us any sites, structures, or districts which could be affected by the proposed project and your recommendations regarding the need for any further study or inventory of the project area.

The homes that will be built, renovated or replaced will be located in Cascade County on existing residential lots. No change in zoning, land use, water and waste water, and roadways is anticipated. Areas of emphasis in Cascade County will be Sun Prairie Village and Black Eagle. Homes within the city limits of Great Falls are not eligible.

If we do not receive a reply within 30 days, we will assume that you know of no properties or sites which may be affected by the proposed undertaking.

Sincerely,

Sheila Rice, Executive Director, NeighborWorks Great Falls  
509 1<sup>st</sup> Avenue South, Great Falls, MT 59401  
Telephone Number: 406-216-3504
